

ABOUT US

Thanks for your interest in the Chow Wagon Ranch Direct Delivery service! Since 2009, Cache Creek Meat Co. has served the greater Sacramento area with high quality poultry and game.

Attending Farmers Markets, selling in grocery stores and sharing their product with chefs and restaurants, Cache Creek Meat Co. has now grown to include a delivery service. Drawing upon their connection to other small farmers and ranchers, Cache Creek Meat Co. established the Chow Wagon Ranch Direct Delivery service as a separate entity offering Poultry, Game, and Beef. Eventually, the Chow Wagon Ranch Direct Delivery service will see the addition of Lamb, Pork, Fish, Cheeses, Oil, and Nuts. ***To get started, simply fill out the attached application and then Mail or Fax it back into us.***

HOW THE CHOICES ARE ORGANIZED:

Everything is organized by Farm Name. Some farms produce the same products so you'll simply have to choose which one appeals to you most! We'll be constantly adding new farms and updating everyone when we do. You'll have the opportunity to add or subtract product as you go along. Just give us a call or email and we'll help you out!

Every farm has several options. **Your task is to put a check next to the option coming from the farm that you wish to receive product from.** And last but not least, total it in the total box for each farm.

When we get your application- we'll call and confirm everything with you before you start receiving a delivery. And you'll get regular reminders to go and pick your product up on delivery day!
